1 the boxes for my customer.

- 2 Q. You say customer?
- 3 A. Yes
 - Q. What customer are you referring to?
- 5 A. Campbell Soup.
- 6 Q. Okay. So what happened in that period in
- 7 time? Were they able to accommodate Campbell Soup?
- 8 A. No
- 9 Q. Okay. And so was Campbell Soup a lost account
- 10 because of that?
- 11 A. Yes.
- 12 Q. Okay. So at that time when you were now
- 13 reporting to Mark Van der Kloet, did your team change?
 - A. What team? I never had a team.
- 15 Q. Did your role change?
- 16 A. Yes.

14

- 17 Q. Tell me about that.
- 18 A. Now I'm a customer service person.
- 19 Q. And that was as part of the reorganization?
- 20 A. I would imagine so. Yes.
- 21 Q. And when you took on this new role as a
- 22 customer service -- what was that last part you said?
- 23 A. Person.
- Q. Okay. When you took on a new role under Mark
- 25 Van der Kloet, were you informed that there would be a

- Page 20 A. Yes. He said it would go -- we'd speak every

- 3 I sold more, I'd make more. If I sold less, I'd make

- 5 Q. Did he tell you that receiving commission --
- 6 so let me backtrack, actually. Were you receiving
- 7 commission when you were changed to reporting to Mark
- 8 Van der Kloet?
 - A. I believe so. Yes.
- 10 Q. Is that how they phrased it, commission?
 - A. Yes.
 - Q. Did they say that -- but you said they
- 13 couldn't figure out your commissions?
 - A. Right.
 - Q. So can you explain that to me?
- 16 A. I -- they couldn't explain it to me.
 - 0. So --
- 18 A. No, I can't explain it to you.
- 19 Q. So your understanding is that you were still
- 20 receiving commissions, or were you receiving pay in --
- 21 in -- that would be the equivalent amount of what your
- 22 prior commissions were?
- 23 A. Yes and no. I would've made more, I think, if
- 24 I was on a real commission, but he says he couldn't
- 25 figure it out, even though I gave him paperwork in black

- 1 compensation change?
 - A. Yes and no.
- 3 Q. What do you mean by that?
- 4 A. He said, we're going to keep you whole. I
- 5 gave him all my commission statements. After a month or
- 6 two and not getting paid at all, he told me he couldn't
- 7 figure out my commissions, even though I gave him
- 8 WestRock paperwork showing my commissions.
- 9 Q. And what did you understand that to mean, that 10 we will keep you whole?
- 11 A. Well, they wasn't paying me -- well, they were
- 12 paying me commission, but they couldn't figure out my
- 13 commission. So they said they'd pay me the same thing
- 14 as the prior year.
- 15 THE REPORTER: As what?
- 16 THE WITNESS: The prior year. The year before.
- 17 BY MS. AGRESTI:
- 18 Q. And do you know what that amount was?
- 19 A. It was roughly -- yes, I do.
- 20 Q. What was it?
- 21 A. Roughly, 560, \$560,000.
- 22 Q. Per year?
- 23 A. Yes.
- Q. And did he say anything about an eventual
- 25 change in your compensation?

Q. But there wasn't a commission plan that the company was, at that point in time, following, correct?

- 4 A. I'm not sure. I'm not sure what the company
- 5 was doing. I know all the people in Newark were getting
- 6 commissions and they're still getting commissions.
 - Q. Who are those people?
- 8 A. All the salespeople in Newark that I worked
- 9 with.
- 10 Q. To this day?
- 11 A. Yes.
- 12 Q. Okay. Are they in the same division as you
- 13 today?
- 14 A. No.
- 15 Q. Okay. Did Mark Van der Kloet ever tell you

 - A. No.
- 19 Q. Did Mark Van der Kloet ever tell you, we will, 20 quote unquote, keep you whole until your salary

9 (REPORTER READS BACK REQUESTED QUESTION)

10 THE WITNESS: No.

11 BY MS. AGRESTI:

- Is there anything else related to Mark Van der 12 13 Kloet and your belief that he discriminated against you based on your -- a perceived disability? 14
- 15 Α. I don't think so, no.
- And just so that we're on the same page, when 16 17 you say disability in your Complaint, you're only 18 talking about your 2014 cancer diagnosis?
- Only, yes. 19 Α.
- 20 Is there anything else? ٥.
- 21 Α.
- 22 I just want to make sure we're not missing 0. 23 anything.
- 24 Α.
- 25 Okay. You also mentioned David Steel. What

Don't feel well. I go to doctors all the

Page 60

Page 61

- 2 time. I have different illnesses now from the Stage IV
- 3 cancer from all the chemotherapy I had.
 - Does it prevent you from working?
- 5 Α. No.
- 6 0. So when you say that if David Steel told you,
- if you don't like it quit. I asked you a minute ago, 7
- 8 why do you believe that that supports the belief that he
- was discriminating against you based on a perceived 9
- 10 disability? And you replied that it had to do with his
- 11 whole attitude. I want to make sure I'm not missing
- anything because I'm trying to understand what the 12
- 13 allegations are.
 - Α. Okav.
- 15 Can you walk me through David Steel's specific words or actions that you believe show that he was 16 17 discriminatory against you based on a perceived
- disability? 18
- Α. 19 Not really.
- 20 A few minutes ago you said the whole -- his 21 whole attitude and that he knew you were sick, but do
- 22 you know whether in fact he knew about your cancer
- 23 diagnosis?
- 24 The fact, I don't know. He knew I was sick
- 25 because I even think we might have spoke about it.

Page 59

- is the basis for why you believe David Steel 1
 - discriminated against you based on your -- a perceived
- 3 disability?
- 4 Just the way he treated me. I mean, he was 5 just my manager, he didn't last long. Just the whole
- attitude. 6

7

- Q. Can you give me some examples?
- Well, when I told them I didn't -- even before 8
- 9 -- when they took me to the training program down in
- Florida. And before we went, I just wanted to get it 10
- off my chest that I was still upset about what just 11
- 12 happened with my pay cut. And he goes, if you don't
- 13 like it quit, with an attitude. I mean, he went right
- to my nose. And he leaned on his chair and he went
- 15 right to my face, if you don't like it quit.
- And why do you believe that that has to do 16 with the perceived disability? 17
- Because he knew I -- because he knew I was 18 19 sick and he knew -- he just -- they just cut me by a lot
- 20 of money and they wanted to take over the account.
- You keep saying that he knew you were sick. 21 22 Do you believe that you were sick in 2022?
- Yes, I'm still sick today from this disease I 23 24
- 25 What do you mean by sick? Q.

had, yes.

1 And I just want to make sure we're on the same 2 page. When you say he knew I was sick, what did he know 3 specifically?

- 4 That I had stage four pancreatic cancer and 5 had chemotherapy for a few months.
- 6 Q. And what year was that?
 - Α.
- 8 Q. As we sit here today, do you currently have
- 9 cancer?

7

13

- 10 Α. No, thank God.
- And did you have cancer at any point after 11 Q.
- 12 your chemotherapy in 2014?
 - No. No. Α.
- 14 Okay. So your basis is that David Steel knew 15 you had a cancer diagnosis in 2014?
- 16 Α. Yes.
- Did he specific mention your -- did he 17 Q.
- specifically mention your cancer diagnosis when talking 18
- 19 to you about compensation?
 - Α. I don't remember.
- 21 Is there anything else related to David Steel
- 22 that supports that he discriminated against you based on
- 23 a perceived disability? 24 I don't think so.
- 25 MS. AGRESTI: Okay. Can we take a ten-minute

Page 62 1 break? 2 THE VIDEOGRAPHER: We are off the record at 3 11:37. 4 (OFF THE RECORD) 5 THE VIDEOGRAPHR: Back on record, 12:02. MS. AGRESTI: Okay. I'm providing a document 6 7 that has been pre-marked as Exhibit D. 8 (EXHIBIT D MARKED FOR IDENTIFICATION) 9 THE WITNESS: Thank you. 10 BY MS. AGRESTI: 11 Before we get to that, though, I do need to ask a couple of questions about what we were discussing 12 13

- a few minutes ago. So we've gone through the different individuals and we've gone through the specific 14 15 situations that you believe support your allegations of perceived disability discrimination and age 16 17 discrimination. Is there any other person that we 18 missed?
- 19 Α. I don't think so.
- 20 And is there any other event, or fact, or 21 situation that you believe supports those allegations 22 that we did not discuss yet?
- 23 Yeah, I think so. As far as my cancer in 24 2014, so when you have stage four pancreatic cancer, I 25 think the life expectancy for five years is five

- Page 64 was still on the phone talking to everybody and doing my 1 2 job.
- 3 When were you -- when you took the time away from work, were you on medical leave?
 - Α. Yes.

19

9

15

- 6 Do you know around what time frame that was? Q.
 - Α. I could guess probably 2015.
- 8 Okay. And during that time period, were your 9 accounts assigned to others while you were away so that 10 they could be serviced?
- 11 I have no idea. I doubt it, except for a Pepperidge Farm. 12
- 13 Q. What do you know about Pepperidge Farm?
- 14 That somebody was sitting in the lobby, Α.
- 15 waiting for them to call if they needed them.
- Okay. So but do you know whether all of your 16 17 accounts were being serviced or you do not know?
 - I know none of them were being serviced.
 - Q. Why do you say that?
- 20 Because when I came back to work and I said, Α.
- 21 I'm back, I feel great. I'm coming over. They go
- 22 Marsh, we called you. We had orders. You were late.
- 23 Nobody called us back. We have a place of business. We
- had to go elsewhere. We still love you. We're still 24

- 3 So that's why I believe they were waiting for me to die

- 5 survives that. And then one percent of the five percent

- So other than the statistics related to your illness in 2014, is there anything else related to Peter Brandt, Nickie Parker, Mark Van der Kloet, David Steel, that we did not discuss? I just want to make sure that we've discussed everything that there is related to those two allegations.
- 13 Α. I think so.
- 14 Okay. I have a question for you related to 15 when you were out with getting treatment for cancer. Were you on a medical leave at that time?
- 16
- I was on medical leave, but not at that time. 17 I worked through it for around a year. 18
- 19 0. Okav.
- 20 And then after I had the chemo, I had to take Α. off, I couldn't -- I was seven-eighths dead. 21
- 22 You were what?
- 23 Α. Seven-eighths dead, call it.
- 24 So --Q.

 - Can you spell that?
- 10 THE REPORTER: I can ask you after. When we get off record. 11
- 12 THE WITNESS: Okay. And Rand Displays.
- 13 BY MS. AGRESTI:
- And are those the names of the accounts? 14 ٥.
 - Α.
- 16 Q. Okay. You say that, you know, they were
- 17 not --
- 18 That's correct. Α.

1 Okay. Earlier in -- today, you mentioned that 2 your position was changed to customer service

- 3 representative or something to that effect; is that right?
- 5 Α. That's correct.
- Okay. Is that in fact the job title though? 6 Q.
- Α. No, it was business unit manager, I believe.
- 8 Okay. So I am showing to you what I handed
- 9 to you a couple of minutes ago, the graphics business
- 10 manager job description, which has been produced in this 11 matter. Is graphics business manager the role that you
- were assigned to after the reorganization? 12
- 13 Α. Yes.
- 14 Q. Okay. So take a minute here and take a look
- 15 at this and -- and then I'll ask you some questions.
- 16
- 17 Is this an accurate representation of your job 18 duties as a graphic business manager?
- 19 No, I don't think so.
- 20 All right. So let's talk about that then.
- 21 Let's look at the first one or let's look at the
- 22 summary. It says that "You will serve as the main point
- 23 of contact for WestRock's graphics capabilities and be
- 24 responsible for managing and supporting the business
- 25 needs of your customers." Would you agree that that was
 - Page 67
- 1 or disagree -- would you agree or disagree that that was
- 2
- 3 I agree. Α.
- 4 Q. -- responsibility --
- 5 I agree. Α.
- 6 -- of yours? I'm sorry. It's just we can't 7 talk over each other.
- 8 Α. I agree.
- 9 MS. AGRESTI: Did you get that, Esther?
- THE REPORTER: I did. 10
- BY MS. AGRESTI: 11
- Okay. It then states that "You will provide 12 ٥.
- 13 differentiated service and strategic value to corporate
- 14 and local customers by proactively identifying customer
- 15 needs, providing comprehensive integrated graphic
- solutions, and bringing to bear the products, services, 16
- and cross-functional experience of WestRock to meet and 17
- exceed your customer's needs." Do you agree that that 18
- 19 is a part of your job responsibilities as a graphics
- 20 business manager?
- 21 Α. Yes.
- 22 Looking at the next bullet point, it says that Q.
- 23 "You will -- how you will impact WestRock. You will
- maintain pipeline of graphic related opportunities with 24
- 25 customers focused on comprehensive WestRock products and

- Page 68 solutions to support customer growth, meet customers
- 2 business needs, and improve WestRock's position and
- 3 margin." Would you agree that that was part of your job
- duties as a graphic business manager?
 - Α. Yes.
- 6 Q. The next job responsibility is, "To create
- 7 customer growth strategies centered on identified
- 8 graphics opportunities to drive revenue and or volume
- 9 growth within the corporate and local customer base."
- 10 Would you agree that those were part of your duties?
 - Α. Yes.
- 12 0. It states -- the next one is states, "Identify
- 13 and build relationships with new customers utilizing a
- 14 strategy based on the full breadth of the WestRock
- 15 graphics portfolio." Do you agree that those were part
- of your job duties as a graphics business manager? 16
- - At the beginning, no.

Who told you that?

- 18 Q. Okay. Talk to me about that. Why do you say
- 19 that?
- 20 They told me to stay on Pepperidge, this is Α.
- 21 what I was doing. And you'll handle some of Rick Shue's
- 22 accounts that he can't handle.
- 24 Α. I'm trying to think. I believe it was David
- 25 Steel.

0.

- Page 69
- So let me make sure I understand. And please correct me if I'm wrong, if I am mistaken. So you were
- 2
- 3 told not to build relationships with new customers to
- 4 focus on Pepperidge?
- 5 Α. That's correct.
- Q. Okay. And then talk to me a little bit more 6
- 7 about with the Rick Shue portion of that --
 - Right. He's a business --Α.
 - -- so what does that mean?
 - -- unit manager. Α.
 - Q. Okay.
- 12 Α. And he's very busy, so they say, so he's going
- 13 to give you some of his accounts to handle to help him.
 - Q. Do you know what accounts those were?
 - No. He never gave me any to do.
- 16 Q. Okay. So to make sure I understand, and
- please correct me if I'm wrong. 17
- You were also told that Rick Shue needed some 18
- 19 help and they were going to give you some of his
- 20 accounts to help him with, but they never did that?
- That's correct. 21 Α.
- 22 Q. Okay. And this was all David Steel?
 - Α. I believe so.
- 24 Okay. And you said not in the beginning, so Q.
- at some point, did this change? 25

7

14

Page 70 Yes Α.

- 2 Q. When did that change?
- 3 Α. I'm not sure when.
- Do you remember under who it changed? If 4
- 5 maybe that helps remember?
 - I believe it was David Steel. Α.
- 7 ٥. Okav.
- 8 But I'm not 100 percent sure. Α.
- 9 Q. Okay. What were the circumstances of that
- 10 change, of --
- 11 Well, now after that, they said, well, Rick's not giving anything up, so you have to get your own 12
- 13 accounts. Start cold calling again, like I did 45 years
- 14 ago.

25

1

6

- 15 Q. And --
- And I don't think anybody in the graphics 16 Α. 17 business manager ever did that.
- 18 Q. So you believe no one else was asked to do 19 that?
- 20 I don't believe so. They were handed Α. 21 accounts, internal accounts. They only sold internal to 22 WestRock people.
- 23 And what you're stating is that you were told 24 you're not going to get the internal accounts, you need
- to go find new accounts?

1 0. Did you both report to the same supervisor?

- Yes. Α.
- 0. And at this time, that was David Steel?
 - Α.
- 5 Q. Okay. But you still had the Pepperidge Farm account during that time, is that right? 6
 - Well, they told me to handle it still, yes.

Page 72

Page 73

8 Okay. So after the -- I'm trying to make 0. 9 sure I understand.

10 After the period of time in which it did not 11 -- you did not get other accounts from Rick Shue, you had Pepperidge Farm and no others, but were told to go 12 13 find new opportunities?

- Α. That's correct.
- 15 Okay. All right. So let's look at the next bullet point. It says, "To build and foster 16 relationships throughout the customer organization by 17 18 delivering high quality products, service, sharing insights, and identifying opportunities to support the 19 20 customer." Would you agree or disagree that that was a
- 21 part of your job duties as a graphics business manager?
- 22 Α. I agree.
- 23 And going back here to the prior bullet point, 24 I'm sorry to come back to that one. But would you agree 25 that at one point that did become your job

Page 71

- 1 That's correct. After six months of waiting
- 2 for Rick Shue to hand stuff over to me to help. I made
- 3 that six months up after a while. I'm not sure when
- 4 that was, how long it was.
- 5 Got it. So you made the six-month time frame 0. as an estimate? 6
- 7 Correct. Α.
- 8 Q. Okay. Okay.
- 9 Α. Could be a year. It could have been six
- 10 weeks.

20

25

- 11 Q. After a period of time?
- 12 Α. Exactly.
- 13 Okay. And do you know whether Rick in fact 14 said, I'm not giving anything up --
- 15 Α.

decision?

- -- or that's just what you believe happened? 16
- Well, he never gave it anything up, so that's 17 Α. exactly what happened. 18
- 19 Q. But do you know if that was Rick Shue's
- 21 Α. No, I don't.
- 22 Okay. Where does Rick Shue in relative to 23 your position as a graphics business manager on the 24 organizational chart --
 - He's my peer. That's his job. Α.

1 responsibility?

13

18

23

- I'm sorry. Where are you?
- 3 Sorry. Let me just make sure the record's
- 4 clear. I'm going to go back to the previous bullet
- point that we were just talking about that states, 5
- "Identify and build relationships with new customers." 6
- 7 And you mentioned that at first, you just had Pepperidge
- Farm. And in the beginning, the answer was no, but then
- 9 that changed. So my question is, did in fact that
- become your job duty to identify and build new customers 10 utilizing a strategy based on the full breadth of the 11
- 12 WestRock graphics portfolio?
 - Α. Yes.
- 14 Okay. So if you look at the fifth bullet 15 point, "Anticipate and identify the customer's graphic needs and growth areas." Would you agree that that 16 sentence in its entirety was a part of your job duties? 17
 - Α. Yes.
- 19 And we can move a little bit quickly here now, 20 because I think when you said that some of this was not necessarily a part of your job duties, you were looking 21
- 22 at Bullet point 3 only; is that right?
- Α. Uh-huh. 24 0.
- 25 Α. And what's the question again?

Which is what identifying build relationships?

7

Page 74

- So my question is, for the rest of the bullet
- 2 points. If you can take a minute and look through
- 3 those, would you agree that those were all part of your
- job duties as a graphics business manager? 5
 - Α. Yes.

1

- Okay. So I'm summarizing, but Bullet 6, in 6 Q.
- fact, I won't summarize, I'll just say the first few 7
- 8 words. So you agree that Bullet 6, "Support and lead
- 9 special graphics projects," and the sentence goes on,
- 10 that is a part of your job duties as a graphics business
- 11 manager?
- 12 Α. Yes.
- 13 Q. And you agree Bullet point 7, "To communicate 14 the changing needs of customers to internal leadership,"
- 15 and that sentence continues, but that that bullet point
- also was part of your job duties as a graphics business 16
- 17 manager?
- 18 A. Yes.
- Q. And Bullet point 8, "Orchestrate and 19
- 20 coordinate all work required to meet and exceed the
- 21 customer's needs by engaging WestRock cross-functional
- partners." Would you agree that those were part of your 22
- 23 job duties as a graphics business manager?
- 24 Α. Yes.
- 25 And number 9, was it part of your job duties 0.

- about in October 2022 training earlier. 1
 - Okay. I'm not sure about that date, but okay.

Page 76

Page 77

- Okay. I'm sorry. If that date is incorrect, 3
- but let me rephrase then. You talked earlier about a 5 training.
- 6 Α. Correct.
 - Can you tell me specifically what you remember Q.
- 8 about that training?
- 9 Yeah, we went down to Florida. It was Rick Α.
- 10 Shue, myself, and David Steel. We met in the
- 11 Jacksonville office and they were supposed to train me
- on some computer stuff, which I'd only remember what 12
- 13 they were supposed to train me was, but nobody knew what
- they were doing. And after three hours, I walked out of 14
- 15 there more confused than I started. And I even asked
- Rick who's happened to be a computer guy. I said, Rick 16
- 17 was I just trained or though I don't have a brain. He
- 18 goes, they don't even know what they're talking about.
- You were not trained. This is a waste of time. 19
- 20 And that could be word for word.
- 21 Did you receive any other training? ٥.
 - Α.
- 23 0. What are some of the things that you needed

4

- 5 And would you agree that you were continuous
- 6 -- that as part of your job duties, it was expected that
- 7 you would continuously engage in training to build
- capability and knowledge? 8
- 9 Α. Yes.
- 10 Okay. Okay. I'm going to provide some
- additional documents. Actually, before we do that, let 11
- 12 me ask a few questions. What were your -- other than
- 13 what we've already looked at here with these job duties.
- 14 Is there anything that's not listed here that were part
- 15 of your responsibilities as a graphics business manager?
- I'm not sure what you're looking at. 16
- Exhibit D. I'm sorry if that was not clear. 17 0.
- If you look at Exhibit D. 18
- 19 Α. The one we just had. Okay.
- 20 Yep. I just want to make sure we've gone
- through ten different bullet points of the different job 21
- 22 responsibilities. I'm asking if there's anything that's
- not captured here that you were doing? 23
- 24 No, I think that's it.
 - Okay. Thank you. All right. You talked Q.

- 1 to enter -- do pricing. And I was never trained, so I
- 2 really can't even explain what it was. And I've never
- 3 done that before in my 45 years of work. And 25 of
- 4 those were in the same company -- I'm sorry, 24 years in
- 5 the same company.
- 6 Q. Did you know how to use Salesforce?
 - Α. A little.
- Did you use Salesforce while you were a 8 ٥.
- 9 graphics business manager?
 - Yes. Α.
- 11 Q. How often would you say?
- 12 Α. Once every few weeks.
- 13 Was it an expectation that you were using 0.
- 14 Salesforce as part of your job?
 - Α. Yes.
- 16 Do you know whether the company offered other
- training opportunities? 17
 - Α. I believe they did, yes.
- 19 0. And did you take advantage --
 - Α.
- -- of those opportunities? 21 0.

- 23 Q. What were some of those opportunities?

- And when did you first learn -- or let me ask 4 0. you this first. Were you aware of these quality issues prior to April 2023? 6
- 7 Α. Yes.
- 8 When did you first learn of the quality 0. 9 issues?
- 10 A few months after I joined the graphics 11 division. They kept on calling me, Marshall, it's worse
- than ever. Ever since they shut down Newark your 12
- 13 company stinks. We're not allowed to ask you questions. 14
 - We have to track down the proper people.
- 15 They specifically said that we're not allowed to ask you questions? 16
- 17 Well, they can, but they knew I couldn't give 18 them answers. Every time they asked me, it took me three days to get back to them. 19
- 20 Can you tell me more about that? Why -- what 21 was that process?
- 22 That's a good question. I had to -- I had to 23 ask Jessica my customer service person, and she had to find out in a meeting, which was every other day at 24
- 25 4:00. And -- and in the old days, if I needed an

- Rick Shue. And I'm sure I spoke to David 3 Α. 4 Steel at the time, who was busy talking about his
- retirement plans. And I think that's it. 5
- And what happened as a result of talking to 6 7 Rick Shue, for example?
 - Nothing. Α.
- 9 Q. What happened as a result of talking to David
- 10 Steel?
- 11 Α.
- 12 Q. Do you know whether in fact they did any --13 either of those two people did anything in that regard?
 - I think Rick tried to move everything off center but failed.
- Tried to move everything off? 16 ٥.
- 17 Off center. You know, he tried to fix the 18 problem or tried to find out what the real problem is.
 - Do you know if he was able to find out?
- 20 Yeah, he found out. He says, they're just a Α.
- 21 bunch of idiots and they don't understand the business.
- 22 Did you raise the quality issues -- prior to 23 April 2023, you raised them to your supervisor at the
- 24 time; is that right?
- 25 That's correct. Α.

- 3 they asked me a question, well, the meeting's not until

- 6 And when you say in the old days, when are you ٥. 7 referring to?
 - Α. Before I went to graphics.
- 9 So before the reorganization?
- 10 That's correct. Α.

8

19

- Before the Newark plant closed? 11 ٥.
- 12 That's correct. Α.
- 13 What did you do to try to address this issue? 0.
- 14 Well, I couldn't -- they wouldn't allow me to 15 talk to anybody, so I had to go through the proper
- channels and tell Jessica. 16 And what happened as a result of telling 17 Q.

A. I lost all the work.

- Jessica? 18
- 20 Q. Well, hold on, let me finish the question.
- 21 Α. I'm sorry. Sorry.
- 22 Okay. And what happened as a result of Q.
- telling Jessica? 23 24 She put it on her list and she asked a
- question when it was her turn to talk to them. 25

- Page 89 1 What about after -- or when -- so when did you 2
 - first learn that they were going to pull business? You
 - 3 said April 2023?
 - Α. That's correct.
 - Did you have any indicia or indication prior ٥. to April --
 - Α.
 - Yes.
 - -- April of 2023, that they were going to pull 8 Q.
 - 9 the business?
 - 10 Well, not to pull the business, but they said, we're very unhappy with WestRock since the change from
 - 12 Newark to the graphics.
 - ٥. When was that that they told --
 - 14 I don't remember. It could have been a year 15 after I went. So that could have been in 2020, maybe.
 - 16 I'm quessing.
 - And -- okay. And did you raise or elevate 17 Q.
 - this to your superiors? 18
 - 19 Α. Yes.
 - To -- who did you raise it to, in total? 0.
 - I would think Mark Van der Kloet. He was the 21 Α.
 - 22 king.
 - 23 Q. Why -- why -- why do you say that?
 - 24 Well, he was in charge of the whole program, Α.
 - 25 of the whole department there.

Page 90

- Q. Okay. And he --
- 2 A. And nobody would do anything unless it came
- 3 from him.

1

8

9

- Q. And do you know whether anything happened as a result of telling him?
- 6 A. Apparently nothing happened because we lost
- 7 all the business.
 - Q. But do you know if in fact anything was done?
 - A. No.
- 10 Q. Do you have any written communications or
- 11 anything related to those conversations?
- 12 A. Any written communications?
- 13 O. Yes.
- 14 A. No, I don't.
- 15 Q. So what happened after April 2023 in regards
- 16 to trying to keep this business?
- 17 A. It was still -- we were still getting orders.
- 18 I was still going up there trying to get new projects.
- 19 And then eventually we started losing some of the
- 20 business.
- 21 Q. Did you inform at any point -- who was your 22 supervisor in April 2023?
- 23 A. I think it was David Steel.
- Q. And after David Steel?
- 25 A. It was Nickie Parker for a few weeks, and then

- Page 92 execute forward actions by deliverable dates set forth
- 2 in the KAP, and two, prepare a detailed written KAP to
- 3 grow WestRock's current share of Campbell's business in
- 4 order to maintain 25 percent before the end of fiscal
- 5 year '24." Your KAP must be e-mailed to Tammie. So it
- 6 says to me, but it's from Tammie, so I'm replacing me to
- 7 Tammie. Your KAP must be e-mailed to Tammie for her
- 8 review and approval no later than January 31st, 2024.
- 9 Is that right?
- 10 A. I see that, yes.
- 11 Q. Did you e-mail a KAP by January 31st, 2024?
- 12 A. I'm not sure.
- 13 Q. Okay. The second action item is to, "Achieve
- 14 sales revenue of at least \$10 million in fiscal year
- 15 2024." Do you see that?
- 16 A. Yes, I do.
- 17 Q. And it says you -- underneath that "Qualify at
- 18 least three new accounts to generate sales for WestRock,
- 19 and by March 1st, 2024, you must submit to Tammie a
- 20 detailed written plan to achieve and sustain \$10 million
- 21 in revenue, including Campbell's and new accounts." Do
- 22 you see that?
- 23 A. Yes, I do.
- Q. Did you indeed submit a detailed written plan
- 25 to achieve and sustain \$10 million in revenue, including
- Page 91

1 Tammie Siracusa.

3

10

- 2 Q. Did you inform Nickie Parker or Tammie
 - Siracusa of any issues related to Pepperidge Farm?
- 4 A. I'm sure I did but I don't remember what or 5 when.
- 6 Q. And during this time frame that you were
- 7 reporting to David Steel and then Nickie Parker and then
- 8 Tammie Siracusa, were you able to get any other new
- 9 clients besides Pepperidge Farm?
 - A. No.
- 11 Q. Okay. So let's look at the specific language
- 12 of the performant [sic] improvement plan -- performance
- 13 improvement plan, excuse me. So here it states that you
- 14 have three performance targets. I'm looking at the
- 15 section that says Performance Targets. "One, develop a
- 16 clear, specific plan to achieve sales revenue of at
- 17 least \$10 million, two, utilize Salesforce for new
- 18 customers and opportunities as well as managing current
- 19 business, and three, become proficient in Microsoft
- 20 Outlook and Teams. Do you see that?
- 21 A. Yes, I do.
- 22 Q. The specific action items that were provided
- 23 to you were, "One, to complete key account plan for
- 24 Campbell's to identify opportunities within Campbell's
- 25 to maintain 25 percent of fiscal year '23 business and

- 1 Campbell's and new accounts by March 1st, 2024?
 - A. I think I put some accounts in there but I

Page 93

- 3 also told them it's physically impossible to get
- 4 \$10 million in one year.
- Q. My question was, did you submit a detailedwritten plan by March 1st, 2024?
- 7 A. And my answer was, I'm not sure. I think I
- 8 did.

2

- 9 Q. The third action item is to, "Coordinate a
- 10 monthly meeting with operations team to review
- 11 Campbell's account." And underneath that, it says, "You
- 12 must establish a regular cadence for Microsoft Teams
- 13 meetings with the WestRock operations team members who
- 14 support the Campbell's account. Your first meeting
- 15 should be held on or before January 31st, 2024." Do you
- 16 see that?

20

- 17 A. Yes, I do.
- 18 Q. Did you in fact establish a regular cadence
- 19 for Microsoft Teams meetings?
 - A. A regular cadence, no. I had a few calls.
- 21 Q. And did you have the first meeting on or
- 22 before January 31st, 2024 --
 - A. I'm --
- Q. -- with the WestRock operations team members.
- 25 Who support the Campbell's account?

Page 94 I'm not sure of the date.

- Q. Did you eventually have that meeting with
- 2
- 3 them?

1

4

- Α. Yes. Yes.
- 5 Sorry. It's just that we can't talk over each
- 6 other.
- 7 I'm sorry. Α.
- 8 It's okay. ٥.
- 9 Α. Sorry.

Α.

- 10 It's okay. The next bullet point says that
- 11 "Your monthly meetings with the operations team should cover agenda topics that include but are not limited to
- 12 13 the following: new items, forecast, and quality issues."
- Do you know whether those agenda topics were covered in 14
- 15 your meetings?
- 16 Α.
- 17 The next bullet point says that "You must
- 18 prepare a written agenda for each monthly call, and you 19 must include Tammie on all calendar invitations for the
- 20 monthly calls. And when Tammie's schedule allows, she
- 21 will attend those meetings to observe your performance."
- Did you in fact prepare a written agenda for each 22
- 23 monthly call?
- 24 Α. For the few calls that I had, I did prepare an
- 25 agenda, yes.

1

7

12

13

14

- Page 95
- But the calls were not monthly; is that right?
- 2 That's correct. Because I didn't have
- 3 anything to talk about because they were pulling the
- 4 work and there was no more work to discuss.
- 5 It also states that "Your monthly meetings
- must be conducted via Microsoft Teams because it is 6
 - WestRock's exclusive virtual meeting platform, and to
- ensure that you know how to use Microsoft Teams
- proficiently, WestRock will provide you with training as
- set forth below." Did you conduct the monthly meetings 10
- via Teams? 11
 - Α. Yes.
 - And did you receive the training that was stated here that would be provided to you?
- 15 They gave me the website to look at, yes.
- And by website, do you mean the company's 16
- intranet with various training opportunities? 17
- 18 Α. That's correct.
- 19 The next action item of your performance
- 20 improvement plan is to complete training for Microsoft
- Outlook and Teams. The next bullet point says, "Utilize 21
- 22 Outlook effectively for scheduling meetings and your
- 23 paid time off. HR manager Carrie Robards will contact
- 24 you about scheduling virtual training sessions on
- 25 Microsoft Outlook. These training sessions are not

- Page 96 optional and you must complete this training by January 1
- 2 31st, 2024." Did you in -- did were you contacted by
- 3 Carrie Robards about scheduling virtual training
- sessions?
- 5 Α. Yes.
- Q. And did you complete those virtual training 6
- sessions with Carrie Robards? 7
 - Α. Yes.

10

13

14

22

- 9 Q. And did you complete that training by January 10 31st, 2024?
- 11 Α. I believe so.
- 12 ٥. It also states that you must attend each
- session assigned to you. Microsoft Outlook is 13
- 14 WestRock's Exclusive e-mail and Calendaring software.
- 15 So it is critical that you know how to use it,
- proficient to communicate with both internal and 16
- 17 external clients. Did you attend each session assigned 18 to you?
- 19 Α. Yes.
- 20 And did you use Microsoft Outlook after this
- 21 to communicate with internal and external clients?
- 23 0. The next bullet point says, "Utilize Teams
- 24 effectively for meetings and presentations. Carrie will

 - Α. Yes
 - Q. And did you indeed take these training 6
 - 7 sessions with Carrie?
 - Not with Carrie, but I did attend them, yes. Α.
 - 0. And did you do them by January 31st, 2024?
 - I believe so, yes. Α.
 - 11 Sorry, you just have to wait until I'm done. ٥.
 - 12 I'm sorry. I'm sorry. Α.
 - ٥. Did you complete them by January 31st, 2024?
 - Α. Yes, I believe so. I'm sorry.
 - 15 Okay. No problem. It also states -- skipping
 - to the next section, "Complete Salesforce Training. 16
 - Modules to be completed are as follows: CRM basics 17
 - leads, accounts, contacts, call reports, opportunities, 18
 - 19 and cross selling program. And these modules include

 - Α.
 - 23 Q. It says here that "This training can be

- session can be arranged." Do you remember how you 1
- 2 conducted that training?
- 3 Online somehow I'm sure.
- And it must be completed by, according to 4 5 this, February 9th, 2024. Do you know if you completed 6 it by that date?
- 7 A. I'm not 100 percent sure, no.
- 8 It also states that you have to, "Maintain 9 active pipeline in Salesforce. So you must enter all
- 10 new opportunities and update all opportunities in
- 11 Salesforce through various stages and that the -- you
- and Tammie will discuss your existing Salesforce 12
- 13 pipeline by February 9th, 2024." Did you in fact enter
- all new opportunities and update all opportunities in 14
- 15 Salesforce through the various stages?
- 16
- 17 Do you recall if you had that conversation
- 18 with Tammie by February 9th?
- 19 I believe I did. Yes. Α.
- 20 On February 9th, 2024? ٥.
- 21 I'm sorry. I think so, yes. Α.
- 22 Okay. It says here that you would have a
- 23 progress midpoint meeting on or around February 9th,
- 24 2024. Do you know whether you had that progress
- 25 meeting?

1

Page 99

- I think so.
- 2 What was communicated to you at the midpoint 3 progress meeting?
- 4 No, I'm not 100 percent sure.
- 5 It also states that, on the next page, there
- 6 would be a final assessment meeting on or around March
- 7 11th to meet with HR again, to review your progress
- against the improvement target and to discuss next 8
- 9 steps. Do you recall whether or not you had that
- meeting on March 11th? 10
- I think I did, yes. 11
- 12 Okay. At the bottom it says, "Timeline for
- 13 improvement, consequences, and expectations." And it
- 14 says, "Effective today, you have been placed on a
- 15 60-day performance improvement plan that will remain in
- effect through and including Monday, March 11th. During 16
- the PIP period, you are expected to make significant 17
- progress on the performance targets outlined above. 18
- 19 Failure to meet or exceed outlined performance
- 20 improvement targets will result in further action up to
- and including termination. While this is a 60-day PIP, 21
- 22 you should understand that we must see immediate and
- 23 sustained improvement. If sufficient progress is not
- 24 made at any point during the PIP, your employment may be
- 25 terminated. Continued employment depends upon

- Page 100 consistent and sustained performance. Nothing in this
- 2 plan alters your employment at-will relationship with
- West -- with WestRock. Additionally, the content of 3
- this PIP are to remain confidential. If you choose not
- 5 to sign below, the PIP will go into effect today and
- will remain in effect for a 60-day period." Do you 6
- 7 recall receiving this PIP?
 - Α. Yes.
- 9 Q. And if you look at the next page, WestRock
- 10 210, Bates -- the Bates stamped WestRock 210, I believe
- 11 that is your signature acknowledging that you received a
 - copy of the PIP; is that correct?
 - Α. That's correct. Yes.
- 14 Q. Okay. My mistake. Hold on. Bear with me a
- 15 second. I believe that WestRock 210 is actually -- I'm
- -- pardon. WestRock 210 is not the document. That's 16
- 17 the document for the extension of the PIP. So we'll
- 18 talk about that document shortly. If you can go to
- WestRock 216. Based on the dates is how I -- it says, 19
- 20 "I acknowledge I received this copy of my PIP dated
- 21 January 17th, 2024." Is that your signature?
 - Α. Yes.
- 23 Okay. And is this -- this is your signature
- 24 on the January 2024 PIP, is that right?
 - That's -- that's what it looks like, yes.

1 Okay.

- Q. If we look at the -- what's been pre-marked 18 19 Exhibit F, which we were looking at before the break.
- 20 If you turn to -- at the bottom, it says WestRock 0211.
- 21 Α. Okay.
- 22 Is that the 30-day extension of the Q.
- 23 performance improvement plan document? And if you need
- 24 to look through those pages before answering, that's
- absolutely fine. 25

Page 102

A. Okay.

13

- Q. Is that the --
- 3 A. I believe so, yes.
- Q. Is that -- I'm going to just ask. It's okay.
- 5 Is that the 30-day extension document?
 - A. I believe so.
- 7 Q. Okay. So if we look at this document a
- 8 little bit more closely here, the first paragraph, the
- 9 last sentence states, "Your current performance level
- 10 falls below WestRock's expectations as reflected in your
- 11 fiscal year '23 performance evaluation." Do you recall
- 12 receiving a 2023 performance evaluation?
 - A. Yes.
- 14 Q. And do you recall your performance being
- 15 identified as falling below expectations?
- 16 A. Yes
- 17 Q. Okay. The next paragraph says that "This is a
- 18 follow-up to the PIP issued on January 15th and is --
- 19 and initially extended for 30 days on April 26th, 2024."
- 20 It states that "To date you have not made significant
- 21 progress on the PIP despite our efforts to help you
- 22 accomplish all the action items below. Incomplete action
- 23 items have been identified. In a final attempt to help
- 24 you successfully complete those action items, the PIP
- 25 will be an -- will be extended an additional 30 days
 - Page 103
- 1 from today." Is that what you recall happening, that it
- 2 was extended?
- 3 A. Yes.
- 4 Q. Okay. The document also states that "The
- 5 expectations are outlined below in order for you to
- 6 perform successfully going forward." And does this
- 7 appear to be the performance improvement plan as you
- 8 recall it on April 26th, 2024? Let me strike that. Let
- 9 me rephrase that. Is this an accurate representation of
- 10 the 30-day extension document as you recall?
- 11 A. Yes.
- 12 Q. Okay. The third paragraph also says, the
- 13 second sentence, "You are expected to complete each
- 14 action item below by the date specified. The action
- 15 items are designed to help you achieve the performance
- 16 targets outlined below. We will meet weekly or as
- 17 needed to discuss your progress on each action item
- 18 below." My question is, did you in fact meet weekly
- 19 with Tammie Siracusa or as needed?
 - A. Yes.

20

- 21 Q. Okay. So the performance targets for the 30-
- 22 day extension document are, "One, develop a clear
- 23 specific plan to achieve sales revenue of at least \$10
- 24 million, two, utilize Salesforce for new customers and
- 25 opportunities as well as managing current business, and

- Page 104

 1 three, become proficient in Microsoft Outlook and
 - cince, become proficient in microsoft outlook
 - 2 Teams." Would you agree?
 - 3 A. Yes.
 - Q. Okay. Let's look through the action items.
 - 5 It states, "Complete key account plan, KAP, for
 - 6 Campbell's," and it's identified as complete. Do you
 - 7 agree with that?

8

- A. Yes.
- 9 Q. Okay. The next action item is identified as
- 10 incomplete. "Achieve sales revenue of at least
- 11 \$10 million in fiscal year 2024." Underneath it, it
- 12 says, "Qualify at least three new accounts to generate
- 13 sales for WestRock. And by March 1st. 2024, you must
- 13 sales for WestRock. And by March 1st, 2024, you must
 14 submit to Tammie a detailed written plan to achieve and
- 15 sustain \$10 million in revenue, including Campbell's and
- 16 new accounts." If we turn the page, Tammie identifies a
- 17 specific follow up action. She states that "The below
- 18 sales plan was sent on March 1st. The format of your
- 19 sales plan is unpolished and unprofessional. An e-mail
- 20 is an -- is not an acceptable format for your sales plan
- 21 and it is not what I expect from an experienced sales
- 22 professional." It further states that "In subsequent
- 23 calls since March 1st, there has been no update on
- 24 activity from this sales plan and no new account
- 25 opportunities have been entered into Salesforce." Do
 - Page 105
- age 103

2

10

- 1 you agree with both of those items?
 - A. Yes
- 3 Q. If we look at the bottom here, you'll see the
- 4 sales plan that Tammie is referring to. It's an e-mail
- 5 at the bottom. This is from Marshall Krimsky to Tammie
- 6 Siracusa, subject, "Sales Plan." And if you turn the
- 7 page, you will see the rest of that e-mail that you sent
- 8 to Tammie. Would you agree that that's the sales plan
- 9 that Tammie is referring to?
 - A. I believe so, yes.
- 11 Q. Okay. As you sit here today, do you believe
- 12 that this sales plan is what an experienced sales
- 13 professional such as yourself should send to a
- 14 supervisor?
- 15 A. This is what I've been doing all my life.
- 16 Yes. I was never trained to fill out anything they were
- 17 looking for. What they were really looking for was a
- 18 KAP plan.
- 19 Q. Did you seek any training on completing a KAP 20 plan, as you said?
- 21 A. Yes, I did.
 - Q. What training did you look for?
- 23 A. I called up this guy, David Sharp, who's the
- 24 head of marking or something. And he tried to walk me
- 25 through it but that was the first I had ever seen it.

Q.

You must prepare a written sales plan in Microsoft Word or PowerPoint. Your sales plan must include goals that are," acronym, "SMART, specific, measurable, achievable, relevant, and time bound. You should research how to prepare a sales plan using resources available to you

such as the internet, the library, and your colleagues."

Did you revise your sales plan by May 10th?

You cannot provide a general description of an individual as you did in the original sales plan. Rather, you must properly identify everyone that you consider a prospect. You will present the revised plan to me via Microsoft Teams on or around May 10th. You must be prepared to share your screen during that Teams call to walk me through your plan." Did you do that?

Q. The next follow-up action item is hold a sales call with a prospect by May 25th. "You must schedule and hold a sales call via telephone or Teams with at

Campbell's account." Would you agree that you did not

coordinate a monthly meeting with operations team to

review Campbell's account?

4 A. We had a few meetings. I think it was two or 5 three.

Okay. Underneath it says, "You must establish

7 a regular cadence for Microsoft Teams meetings with the
8 WestRock operations team members who support the
9 Campbell's account." And underneath that, it says,
10 "Your monthly meetings with the operations team should
11 cover agenda topics that include but are not limited to
12 the following: new items, forecast, and quality issues."
13 If you turn to the next Page -- skip the next two

bullets. Underneath, it says, "As of April 28th, you have not established any regular cadence with the operations team that supports the Campbell's count." Do you agree with that statement?

18 A. It wasn't a regular cadence. I had a few 19 calls with them but not on a regular basis.

20 Q. If you skip down to the bottom of this page,
21 it says, "Incomplete: maintain active pipeline in
22 Salesforce. You must enter all new opportunities and
23 update all opportunities in Salesforce through various
24 stages. We will discuss your existing Salesforce
25 pipeline by February 9th, 2024." Do you know -- if you

the prospect." Did you complete that?

A. I don't believe I did.

Q. The next action item is, "Create a robust prospect list by May 15th. Generate leads and qualify prospects that fit WestRock's graphics or display capabilities. Develop actions for your prospect lists such as sales capabilities, presentations to prospects in person when possible. You are taking on each customer to expedite their movement on the customer buying journey." Did you accomplish that follow up action item?

A. I'm not 100 percent sure.

Q. The last bullet point says, "In addition, the quality issues mentioned in the sales plan are being addressed jointly by the operations team at WestRock and the Denver plant as the customer is also having machine issues." If you go to the next page, WestRock 0213, at the bottom underneath the e-mail that you sent with the title Sales Plan, it says, "Incomplete: Coordinate a monthly meeting with operations team to review

2 28th, no new account opportunities have been entered

3 into Salesforce. In the past 12 months, only three

4 opportunities have been entered for Pepperidge Farms."

5 Do you agree with that statement?

A. I think I might have put some new accounts
into Salesforce. As far as the three opportunities,
that's all I had. I wasn't making anything up. If you
remember, they threw us out for quality and service, so
they're not going to give me work so fast.

11 Q. And so as of April 28th -- putting aside 12 Pepperidge Farm for a minute as of April 28th, is it 13 true that no new account opportunities had been entered 14 into Salesforce by that time?

A. I believe that's false.

Q. That's false?

17 A. I believe so, yeah.

Q. Okay.

15

16

18

19 A. I thought I entered three of them. As -- let 20 me look back at my -- one second, please.

A. One on March 1st. Yeah, if you look at my March 1st e-mail to Tammie, which she said was very

- 1 A. Yes, I do.
- 2 Q. And is that your understanding as to why

 - A. Yes.
- 5 Q. Okay. Did you ever receive, if you recall,

- 2 All right. One of your allegations is that
- 3 you are or have been retaliated against. Can you tell
- 4 me what the basis of that allegation is?
- 6 No. Forget Peter Brandt a second, unless he

You mean with Peter Brandt?

- 7 becomes relevant based on your testimony. You allege
- that you've been retaliated against in this lawsuit. 8
- 9 That's one of the allegations that you have made.
 - Uh huh. Α.
 - My question to you is why do you believe that?
- 12 Because after he -- after I was suffering from
- 13 stage four pancreatic cancer and taking a special brand
- 14 new chemotherapy drug, and when I came back to work he
- 15 -- he sent me for a random drug test. And didn't understand that I was sick, and he blamed Rick Shue for
- not telling him. Because at that time Rick Shue worked 17
- for Peter Brandt. 18
- 19 So my understanding was that Peter Brandt went 20 to Rick and said, why didn't you tell me he had cancer?
- When we all know he knew, because I told him, and all of 21
- 22 Newark knew, but he played dumb, and he blamed Rick for
- 23 not telling him. And that's why Rick left that division
- 24 and moved on to a different division, because he
- 25 couldn't work with him.

- Page 120 Is there anything else that you believe is
- 2 retaliation against you in this lawsuit?
 - Α. When they put me in the graphics division for no commission.
- 5 Q. Who do you believe was retaliating against you in that instance? 6
- The company. I mean it's the whole company. 7 Α.
- 8 I don't think, you know, Mark Van der Kloet did it, but
 - I'm sure he was told to.
- 10 So to be clear, you're saying Mark Van der 11 Kloet accepted you into the graphics business, you know,
- unit, but he's not the one who made that decision? 12
- 13 I have no idea who makes the decisions. It's
- a big company. All I know is he knew I was sick and he 14 15 knew I was -- my life expectancy should have been five
- 16 years ago.
- 17 Q. And I'm sorry, remind me again, how did Mark 18 Van der Kloet know that you were battling cancer in
- 19
- 20 A. He heard through the grapevine, because he
- 21 called me if -- you know, I'm not sure when he called me
- 22 to see how I was feeling, but I know he did call me. I
- 23 don't know if it was two months after or two years
- 24 after.

- So you believe that when the reorganization ٥.
- Page 121 happened in 2019, you were being retaliated against
- 2 because you had been sick?
- 3 Yeah. And they didn't think I would last that
- 4 long, so, let's take his business and move it to where
- it counts, and keep him out of everything. So they gave 5
- me a brand new job, and they didn't let me do my job 6
- 7 that I've been doing for 40 years, to create this
- 8 account.
- 9 From your perspective, were you servicing the 10 Pepperidge Farm account in an adequate way?
- 11 I think in more than an adequate way.
- 12 How many times did you travel to Pepperidge 0.
- 13 Farm in 2019?
- 14 Α. Oh, hundreds. That's probably up there, three
- 15 -- three to four times a week.
 - What about in 2020? Q.
- The same thing. Wait a minute, when was the 17 Α.
- pandemic? I'm sorry. 18
- 19 I was going to say, did the pandemic impact Q.
- 20 that?
- 21 Α. Yes.

 - Was there still a pandemic then? I forget.
